## **SPONSORS INFORMATION**

### **The South Suffolk Show, Sunday 10<sup>th</sup> May 2020**

Now in its 131st year, The South Suffolk Show is regarded by many as one of the leading one-day agricultural shows in the eastern region.

The 'South Suffolk' takes place at Ampton racecourse, near Ingham, Suffolk. This site not only has excellent road links to the towns of Newmarket, Sudbury, Thetford and Bury St Edmunds, but also provides the show with a picturesque countryside setting.

Traditionally we have enjoyed crowds in the region of 10 - 15,000, flocking to see the ring attractions and 100 plus tradestands catering for the country lifestyle.

The main ring attraction to entertain the crowds this year will be 'Atkinson Action Horses', - an exceptionally talented team of stunt horse riders who perform some truly astonishing tricks on their magnificent steeds, some of which are regular cast members of the BBC television series Poldark!

In addition the show traditionally has a high number of entries in its various horse and pony classes, and our cattle, sheep and pig classes are also extremely well supported. Over the years the show has produced a number of National Champions.

Throughout the showground we strive to entertain all members of the family with attractions including traditional fairground rides, the New Zealand style 'Sheep Road Show', an art & craft tent, a food hall, a vintage farm machinery display, terrier racing, and gundog displays.

This year will be our eighth year on the extended 95 acre showground, allowing us to have more car parking areas, as well as a dedicated horse area, with improved ground conditions, which have been much appreciated by our visitors and exhibitors in recent years.

Gates open at 8:30am, and trade stands pack up at 5pm. Tickets this year will cost £14.00 per adult, £7 for children aged up to 16 and £10 for concessions, with children under 5 going free. Alternatively a family ticket for 2 adults and up to 3 children will be available for purchase at £35.
