**Sunday 12th May 2024**

Ingham, Nr Bury St. Edmunds, Suffolk

**Association Chair: Mr Jim Mann**

**Association Vice Chair: Mr Oliver Stennett**

**Show President: Station Commander Max Hayward**

Now in its 135<sup>th</sup> year The South Suffolk Show is regarded by many as one of the leading one-day agricultural shows in the eastern region. The 'South Suffolk' takes place at Ampton Point-to-Point Racecourse, Ingham, Suffolk IP31 1HU. Three miles North of Bury St. Edmunds on the A134, this site not only has excellent road links to the towns of Newmarket, Sudbury, Thetford and Bury St Edmunds, but also provides the show with a picturesque countryside setting.

Traditionally we have enjoyed crowds in the region of 10 – 15,000 flocking to see the attractions, with this year's grand ring attraction being The HOH Equestrian Display Team with a spectacular display of horsemanship from the heart, along with the 150 plus trade stands catering for the country lifestyle.

In addition, the show has strong numbers of entries for its various horse and pony classes, and our cattle, sheep and pig classes are extremely well supported. Over the years the show has produced many National Champions, from both the equine and livestock classes.

Throughout the showground we strive to entertain all members of the family with attractions including traditional fairground rides, a vintage farm machinery display, a farriery competition for Master and Apprentice Farriers, gundog displays and terrier racing.

A number of years ago, the showground was expanded by approximately 20 acres to 95 acres in total, allowing for further parking which was required for the ever-increasing number of visitors. This extra space has also allowed us to reconfigure the layout of the showground and provide a dedicated horse area with improved ground conditions and spectator safety in mind.
